State License: 00030736 | Federal License: 15130329 | 15550978 | NSS: 72169728580

OBJECTIVE

Systems and Electronics Engineer with experience in programming, automation, and data analysis. Solid knowledge focused on electronic devices and their application. Eager to learn and highly adaptable to different work environments. Optimistic, with a great attitude, and focused on solving problems effectively.

EDUCATION

Master's Degree in Artificial Intelligence

July/2025 - Present | Universidad Virtual del Estado de Guanajuato

Bachelor's Degree in Communications and Electronics Engineering

12/08/2019 - 11/06/2025 | Universidad de Guanajuato

Bachelor's Degree in Computer Systems Engineering

08/06/2020 - 31/05/2023 | Universidad Virtual del Estado de Guanajuato

Courses & Certifications

- Foundations of Artificial Intelligence Course (11/07/2023 - 11/10/2023) - Universidad de Guanajuato
- Introduction to Robotics Course (11/03/2023 - 20/04/2023) - Universidad de Guanajuato
- Introduction to Industry 4.0 Course (19/07/2023 - 10/11/2023) - Universidad de Guanajuato
- Printed Circuit Board (PCB) Designer Course (31/08/2022 - 28/11/2022) - Capacitate para el empleo - Carlos Slim Foundation
- Member of the SPIE Organization (International Society for Optics and Photonics)

WORK EXPERIENCE

Software Developer and Data Analyst

SISTEBIT Smart Solutions | 2026

Founder and Principal Engineer

ZUMATEK | 2026

Bivalent High School Teacher (Talents Program)

01/08/2025 - 12/15/2025

High-Performance Academy Teacher

SANSEN | 05/08/2018 - 30/12/2020

FEATURED PROJECTS

PERSONAL DATA

- Age: 28 years old
- Marital Status: Single
- Own vehicle
- Excellent geographic mobility
- Immediate availability

LANGUAGES

- Spanish (Native)
- English - C2 Level

INTERESTS

- Technology and innovation
- Image and video creation/editing

SKILLS // COMPETENCIES

- English - C2 Level
- Excel Knowledge (Intermediate)
- Artificial Intelligence Management
- SQL Server, PostgreSQL Management
- n8n, Cursor Management
- Programming: C, C++, C#, Python, JavaScript, HTML, CSS, JS
- AutoCAD Modeling
- Arduino & electronic devices management
- Electronic circuit design
- Microcontrollers management
- Basic welding / soldering
- Video Editing (Sony Vegas Pro)

APTITUDES

- Excellent team player
- Responsible
- Analytical
- Self-taught

- **Book Author:** Manual de Supervivencia Web - Independent publication (2025-2026)
- **Protheus Avatar Robot (Inbiodroid Project):** Inbiodroid, participation in international competition in Los Angeles
- **The Crazy Bee:** Cross-platform video game executable on PC and Android
- **Adjustable Power Supply:** Printed circuit board design, Universidad de Guanajuato

- Organized
- Skilled at working under pressure
- Strong communication skills
